

Your Privacy is Important to WideBand Technology

This statement discloses the information practices for Wideband Technology Pty Ltd Web site, including what type of information is gathered and tracked, how the information is used, and with whom the information is shared.

Personal Information

In general, you can visit Wideband Technology Pty Ltd on the Internet without telling us who you are and without giving any personal information about yourself. There are times, however, when we may need information from you. You may choose to give us personal information in a variety of situations. For example, you may want to give us information, such as your name and address or email address, to correspond with you, to process an order, or to provide you with a subscription. You may give us your credit card details to buy something from us or a description of your education and work experience in connection with a job opening at Wideband Technology Pty Ltd that you wish to be considered for.

We intend to let you know how we will use such information before we collect it from you; if you tell us that you do not want us to use this information to make further contact with you beyond fulfilling your requests, we will respect your wishes.

Using and Sharing Personal Information

The following paragraphs describe in more detail how Wideband Technology Pty Ltd may use your personal information and with whom we may share it. Depending on the area of Wideband Technology Pty Ltd Web site you are visiting, one or more of the paragraphs may apply. For example, if you order a product from Wideband Technology Pty Ltd, your information will be handled as described in such paragraphs as Fulfilling Your Transaction Request and Marketing Use.

Fulfilling your Transaction Request

If you request something from the Wideband Technology Pty Ltd Web site, for example, a product or service, a call-back, or specific marketing materials, we will use the information you provide to fulfil your request. To help us do this, we may share information, with others, for instance, other parts of Wideband Technology Pty Ltd, Wideband Technology 's Business Partners, financial institutions, shipping companies, postal or government authorities (for example, Customs authorities) involved in fulfillment. In connection with a transaction we may also contact you as part of our customer satisfaction surveys or for market research purposes.

Marketing Use

The information you provide to Wideband Technology Pty Ltd may also be used by Wideband Technology Pty Ltd and selected third parties for marketing purposes. Before we use it, however, we will offer you the opportunity to choose whether or not to have your information used in this way.

Wideband Technology Human Resources (including Recruitment)

In connection with a job application or inquiry, whether advertised on the Wideband Technology Pty Ltd Web site or otherwise, you may provide us with information about yourself, such as a resume or curriculum vitae. We may use this information throughout Wideband Technology Pty Ltd and its related entities for the purpose of employment consideration. Except where you tell us not to, we will keep the information for future consideration.

Information Security and Quality

We intend to protect your personal information and to maintain its quality. We implement appropriate measures and processes, such as using encryption when transmitting certain sensitive information, to help us to keep your information secure and to maintain its quality.

Access and Correction

You have the right to seek access to our records of your personal information. You also have the right to ask us to update or correct your personal information when it is inaccurate, incomplete or out of date.

Cookies and Other Technologies

We may collect information through the use of various technologies, including one called "cookies". A cookie is a piece of data that a Web site can send to your browser, which may then be stored on your computer as an anonymous tag that identifies your computer but not you. Some Wideband Technology Pty Ltd pages use cookies, sent by Wideband Technology Pty Ltd or its vendors, or other technologies to better serve you when you return to the Web site. You can set your browser to notify you before you receive a cookie, giving you the chance to decide whether to accept it. You can also set your browser to turn off cookies. If you do so, however, some Web sites may not work properly.

Links to Non-Wideband Technology Sites

The Wideband Technology Pty Ltd Web site may contain links to other Web sites. Wideband Technology Pty Ltd is not responsible for the privacy practices or the content of those other Web sites.

Privacy Officer

If you have any inquiries or comments about our privacy policy or the way in which we handle your personal information then please contact our Privacy Officer.
